Summary of reasons for decision:

The image file is a sexualised photo of two naked boys. The image exploits the nudity of children or young persons to such a degree that its availability is likely to be injurious to the public good. The only likely purpose of the image is the titillation of those with a sexual interest in boys. An objectionable classification interferes with the right to freedom of expression contained in the New Zealand Bill of Rights Act 1990. However, this is a justified and reasonable limitation on that right in order to prevent injury to the public good.
